

for the glory
of the
Risen Lord
a campaign for Saint Mary Magdalene

BUILDING FUND?

WHAT IS THE BUILDING FUND?

The Building Fund is a restricted account providing support to any project related to fixed assets at Saint Mary Magdalene. This account has funded projects such as the new office building and the Saint Michael the Archangel Adoration Chapel, paving the parking lot, the installation of new church doors and new sound equipment within the church.

HOW DOES THE BUILDING FUND RELATE TO THE CAPITAL CAMPAIGN?

Fr. Will very much appreciates the tremendous generosity many in our parish have shown over the years. Right now, parish leadership believes the Building Fund has a strong enough balance to support the parish should any issues arise over the next three years. Because the Building Fund is in such a strong state presently, the hope is that those who are currently contributing to the Building Fund will transition their giving to be a part of their pledge to the *For the Glory of the Risen Lord* Capital Campaign. All loose cash that is deposited in the collection plate during the Building Fund Collection will still benefit the Building Fund, unless it is designated for the capital campaign.
