# FOR WHERE TWO OR THREE HAVE GATHERED IN MY NAME

*I am there in their midst.” Matthew 18:20*

**Saint Mary Magdalene is a family.** Part of being a family is enjoying each other’s company. Our parish does get to join together in fellowship every Sunday, but lack of space often limits opportunities for gathering outside Mass.

Saint Mary Magdalene’s ministries suffer due to lack of space, as well. Ministries are forced to meet less often, in cramped spaces, or outside in the inclement and unpredictable weather because there is not enough time or space to go around.

Having a large meeting space would provide many benefits for Saint Mary Magdalene. First, our ministries would have a larger space to meet as they carry out their works for the glory of the Risen Lord. Our parish family would also have the opportunity to join together in fellowship for doughnut Sundays, Lenten fish fries, or other parish events.

If you have not yet pledged to Saint Mary Magdalene’s For the Glory of the Risen Lord Capital Campaign, we hope you will prayerfully consider supporting our parish as we look forward to building our new parish hall!

*“Having a large social hall will make it much easier to schedule events. Added space also offers us the opportunity to expand the ministry by offering additional activities or retreats. Finally, when we do hold events, we’ll be able to offer childcare in a more child-friendly area.”*

*“Each training class meets in the JPPII Conference Room in the parish office. Meeting there limits our class size to 15, meaning multiple classes must be offered to train all those who need it. It’d be very helpful to be able to train more people at one time in a larger meeting space.”*

*“Where I came from, every Sunday we’d have coffee and doughnuts after Mass. That’s how we’d meet other people in the parish. Having a social hall will make us feel more like a community.”*
