

## Catholic School Families

If your child will be attending a Catholic school, parents should be aware of the following:

- Register your child with the RE office. This can be done via email.
- IF your child is preparing for a sacrament during the year, you must register that information with us at the beginning of the year.

Regardless of preparation being done at the school, the following criteria must be met at the home parish:

- Submission of a copy of the child's baptism certificate ;
- For Reconciliation, the child and one parent must attend the retreat prior to the sacrament celebration. This will be scheduled through the family formation office.
- For Confirmation and First Communion, students must be in the appropriate grade.
  - Submission of paperwork relevant to Confirmation
    - Model of Faith form
    - Candidate Information Form
    - Sponsor affidavit
    - Sponsor Talk Sheets
    - Evidence of service
  - Attendance the spring retreat and rehearsal.
